We are now seven weeks into Second Term and our very full calendar of events continues. Students have been focusing on completing assessments, projects, tests and exams, and some students can now look forward to Country Week followed by the holiday break.

**Week 10, Term Two**
Nine sporting teams with a total of 113 students and 10 staff are heading to Perth on Sunday 26th June to take part in Country Week. During the same week a large group of our senior school students are undertaking Workplace Learning whilst Year 10 students from our contributory schools will be getting into the Trade Training Centre to “Try-A-Trade” in preparation for their Year 11 course selections.

**Student Attendance Week 10**
The Year 11 and 12 school timetable is suspended from 27th June – 1st July. The normal timetable will run for **all Year 7 - 10 students, hence, they are required to attend full time during this week.** All lessons will continue through to Friday 1st July at 3.15pm.

**Student Achievement Reports**
Year 10, 11 and 12 Semester One exams were recently completed and teachers have been busy marking exams and writing reports. Year 12 Reports will be mailed to parents during Week 8 and Year 10 & 11 Reports will go out in Week 9. Year 7 - 9 Student Achievement Reports will be mailed to parents during the first week of the school holidays.

**Study Days**
I would like to commend the dedication of staff and students who have attended Wednesday afternoon library sessions and the weekend study days. Mr Kammann, the Year 11 & 12 ATAR Coordinator, has coordinated and attended four study days in May and I thank the following staff for tutoring students during these study sessions: Mr Walsh, Mr Miolin, Miss Koczenasz, Mr Milburn, Mr Anderson, Mr Skett, Mr Treasure, Ms Bermingham and Mr Dalton.

**Congratulations – State Selection**
Recently selected in the Schools Sports WA 15’s Netball Team was Year 10 student, Elycce Webb. The team will travel to Adelaide for the National Championships to be held from 30th July to 5th August. Congratulations also to Adele East and Josh Ladhams for selection in the WA Country Basketball State 16s teams. They will travel to Kilsyth, Victoria from 2nd - 9th July.

Our best wishes go to Elycce, Adele and Josh for successful carnivals.

**Year 10 Parent Information Evening – Thursday 16th June**
A meeting for parents and Year 10 students will be held on Thursday 16th June between 5.15pm and 6.15pm to outline the Western Australian Certificate of Education (WACE) requirements and the courses available in Year 11, 2017. Pathways to future study, training and employment will be the focus of the evening. **It is important that ALL parents and Year 10 students attend** so that they have all of the relevant information and are able to choose the most appropriate courses for Year 11. Year 10 students have been preparing to make Year 11 course selections for 2017 in their Career Development classes. Information will be sent to parents of Year 10 students in the near future.

**Course Selection Interviews**
Following this Parent Information Session all Year 10 students **must** attend a 15 minute interview. Individual course counselling will take place in Week 3 of Term Three.
All students need to be accompanied by a parent or guardian to the interview so that a Course Selection Form can be completed. Manjimup SHS counselling sessions will be in the Library at the following times:

- Tuesday 2nd August from 3.30 pm – 6.30 pm
- Thursday 4th August from 3.30 pm – 6.30 pm

Principal

**Building Resilience**

*Resilience* is the ability to cope with difficult situations and ‘bounce back’ from stress and adversity in order to lead a healthy and full life. Young people need to develop resilience in order to navigate life’s ups and downs. As a parent/carer, you can help your child to become resilient by giving him or her opportunities to learn and practise new skills such as:

- **Helpful and positive thinking** – using positive self-talk, using humour, thinking ‘what’s wrong with this situation?’ not ‘what’s wrong with me?’ or ‘why me?’.
- **Resourcefulness** - practicing predicting and solving problems; making good decisions; setting goals; being persistent. Think things through before acting.
- **Understanding emotions** - being able to control your feelings and behaviour and read how others are feeling so you can get along with them.
- **Relationship skills** – knowing how and who to talk to when you need help or have a problem; knowing how and when to tell someone how you feel; and being able to sort out disagreements.
- **Self-understanding** – knowing your strengths and limitations; knowing what you value; being able to show courage and reflect on your actions. Reflect on what went wrong when they make a mistake and accept that they, along with everyone, are imperfect. Celebrate milestones and successes.

Included in the newsletter is a Hip pocket help guide full of helpful, reputable contacts, websites and apps available within Australia.

**Sculptures in the Vines**

Pemberton has been very busy promoting The Arts this year with a number of wonderful exhibitions.

Manjimup Senior High School students were lucky enough to enter a handful of sculptures for an exhibition held at Pemberly Wines.

Only five entries were submitted amongst a large number of competing student artists from schools in the region. The judges were so impressed with our work they decided on a five way division of First Prize.

I would like to congratulate Jack Slade, Angus Nolan, Jessica Read, Dawn Taylor and Elise Squiers for their fantastic efforts. I also believe the organisers, with particular thanks to Anna Czerasow, did an amazing job of ensuring schools were included in the events this year. I would love to see the exhibition grow and look forward to bringing it in to our regular program.

Rebecca Drake
Visual Arts Teacher

2016 Community Survey

The Manjimup Senior High School Community Survey was held again this year. Thank you to all those who participated. The survey results are very important to us by providing valuable information which informs our future planning.

There were two raffles as incentives to participate:

- The first was a reduction of $100 in this years school fees. This raffle was won by the parents of Trent Lang.
- The second raffle of a $20 Canteen voucher was won by Odin Ylioff.
